Dear AMCS Parents,

Though we are apart right now for our health and safety, we at AMCS, continue to support each other as a community. Right now, we must work together to fight COVID-19. In order to help prevent the spread of COVID-19, AMCS will be reaching out to you via email, phone, text message and social media over the next two weeks to share vitally important guidance.

This guidance is based on what scientists know about how to prevent the spread of COVID-19, and it is our hope that you will continue to follow these practices and share them with your friends and family.

Thank you for what you are doing to educate your children at home and all the efforts you are making to keep your family healthy and safe. We know this is a difficult time. If we stand apart as a community during this stretch and continue following the public health practices, we will be back together soon.

Stay well.

Sincerely,

Delia Presillas
Superintendent and Principal
