Dear AMCS Parents,

AMCS is actively monitoring the COVID-19 situation and will continue to do so during the spring break on March 16 thru 20, 2020. Classes are expected to resume on March 23. We are participating in daily calls with local, state and federal officials for updates and school planning purposes.

The City of Houston Emergency Operations Center at <https://houstonemergency.org/covid19> has important updates that are very helpful.

Every family is important in ensuring all our children are safe and healthy. This is a call for each of us to be a mindful, responsible member of our community. Please do not hesitate to call the school if you have questions or concerns.

Sincerely,

Delia Presillas

Principal and Superintendent
