Dear AMCS Parents,

AMCS will be closed from March 23 thru April 10, 2020. The AMCS faculty members and I are working to prepare instructional resources for all students to be done at home and to establish a modified work schedule for all staff for the duration of the school closure.

Please check for messages from the school and your teacher for details. We also ask our parents to promptly respond to the short survey sent out to you regarding online instruction.

Also, the Texas Education Agency has waived all STAAR tests for the 2019-2020 school year.

I will continue to update you regularly as I receive new information.

Thank you and be safe.

Sincerely,

**Delia Presillas**

Principal and Superintendent
