July 25, 2020

Dear AMCS Families,

On Friday, July 24, a joint order from the City of Houston health officials and Harris County declared that schools must not re-open for face-to-face instruction for SY 2020-21 until after September 7, 2020. This is subject to be extended depending on the COVID-19 situation in our area.

As you know, our school will be starting with 100% remote learning from August 17 through September 11, 2020. Please check the school website often for updates including:

1. The special enrollment form will be available on July 27. Please complete the form for each child enrolled at AMCS. The sooner you do it, the better it would help the school to be ready.
2. The basic supply list for those who opted to purchase their own supplies is also on the website. My July 18 letter as well as the student supplies tab have the list. The highlighted items are the basic supplies you would need for your child during remote learning.
3. Please take the time to read "How to Make the Most of Remote Learning." When you decided to enroll your child in AMCS, we know that you value the importance of developing and nurturing the needs of the whole child. The environment, physical readiness and attitude for learning are as important as what it is learned, even in a virtual setting.
4. Please be ready for you and your child to attend the Meet and Greet zoom meeting with your teachers at 6 pm on these dates: Primary (PK-K) on August 11; Lower Elementary (1st-3rd) on August 12; and Upper Elementary (4th-5th) and Middle School on August 13. The zoom link will be sent to you by your teacher via text and/or email.

I will update you again very soon. Thank you and be safe.

Sincerely,

Ms. Presillas
